3. Last meetings minutes were approved, 4-0
4. Public Comment. Joel Mickelson spoke of his past contributions to the park and is looking forward to assisting.
5. Unfinished business
 - A. The survey has been performed; results should be available any day. In the meantime, we'll use photographs for references. Actual survey copies will be hand delivered by Pete when available.
 - B. Day Use fee has been approved previously by the board. How do we implement it? This procedure needs to be worked out prior to the spring opening.
 - C. Move of Day Use Area. Using the photograph, please show where and what for next meeting's discussion.
 - D. Park Rules – We need to review them, propose adjustments where indicated, get approval and then post where necessary. Pete to get copies for next meeting.
 - E. Dogs on beach discussion. Some mentioned a county ordinance requiring leashes, others suggested a pick up station be made available. PS to check on the leash law.
 - F. Picnic table repair. Will require:
 - Disassembly
 - Metal repair / Paint
 - Replacement wood sourcing and delivery
 - Painting of the boards – do we?
 - ReassemblyMark says he has some Honor Society kids at Montague High looking for a project. PS to look into restrictions of type of lumber.
 - G. Stairway repair Who, when, how, etc. Source of lumber questioned.
 - H. Electrical Service upgrade We need to specify exactly what is to be done and solicit bids. PS to meet with Jesse and draw up an RFP for approval.
 - I. Poison Ivy treatments Joel Mickelson volunteered to spray if someone provides the material.
 - J. Well Opening. Who is going to do exactly what? PS to look for a well service company.

6. New Business
 - A. WIFI service with Truestream for campers? Needs a networking company to be involved. Mark Kutches volunteered to contact several for further information.
7. Next meeting to be Feb 7 at 6:30 PM at the Town Hall.
